TO THE TRADE:

Unusually good growing weather this year has given us excellent counts of well-finished plants to offer for Fall. Although shortages are still apparent in many varieties of evergreens, we have good quantities of most items.

Because of advanced promises of digging time, to which we are already committed, we ask your cooperation in giving us as much advance notice as possible, in order to execute your order satisfactorily. The personal attention of at least one member of our firm will be given the selection and grading of each order.

Visitors are always welcome. We are open 7:30 to 5:00; Saturday till noon; closed on Sunday.

GUARANTEE AND CLAIMS

Plants warranted to be true to name.

Plants warranted to be in good healthy condition.

We sell under the standard form Nurserymen's Non-Warranty Clause, which reads: "We give no warranty, expressed or implied as to description, quality, productiveness, or any other matter, of any nursery stock we sell." We accept no responsibility for the guarantee our customers give their customers or any governmental department or agency. All shipments are at the risk of the purchaser after being delivered to carrier in good condition. All claims must be made within 5 days after receipt of stock. All quotations are for immediate acceptance and subject to stock being sold.

SPECIMEN PLANTS selected by customer will be priced according to individual value. Labeling and grading of all plants are done by our own experienced man. Any other special selection either by us or by the customer or his agent will be charged for according to the individual value of the plants marked.
